

PQS ultralight 4-season dump body

The new PQS ultralight 4-season dump body combines all the functionality of our popular 4-season but with the new Hardox 500 Tuff, which allows us to reduce the weight of the body by 600 lb while increasing its capacity by ½ cubic yard.

SPECIFICATIONS:

- Length: 8' or 10'
- Side height 20" and rear panel 27"
- Front wall, sides and rear panel in Hardox 500 Tuff 1/8
- Floor in Hardox 450 3/16
- Cab protector height 16"
- Gearbox and gear 1 1/4 type 667
- Rear door with standard opening and tailgate style

OPTIONS:

- Electric tarp motor
- Security grill under the conveyor
- Coal chute
- Removable top screen
- Central greasing system
- 2 rear strobes
